- An undergraduate student in the first two years of a 4 year program or first three years of a 5 year program in Russia
- Good academic standing
- Proficient in English
- Committed to return to Russia after the completion of the program

Persons with disabilities are encouraged to apply

ABOUT THE PROGRAM

This is a year long exchange program that provides a unique opportunity for Russian students to study at American universities and community colleges, learn about American culture and values, and strengthen their academic knowledge, leadership, and English language skills.

Participants study at American higher education institutions and participate in community service and cultural enrichment activities to gain an authentic immersion into the American culture.

The program is funded by the U.S. Embassy Moscow and covers all participants' expenses, including visa and airfare costs, tuition and fees, room and board, health insurance, a monthly stipend and a book allowance

Apply by: November 30, 2021
